INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF SUNRISE CHILDREN'S ASSOCIATION INCORPORATED

Opinion
We have audited the financial report of Sunrise Children's Association Incorporated (the Entity), which comprises the balance sheet as at 30 June 2022, the income and expenditure statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and statement by the committee members.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying financial report presents fairly, in all material respects, the financial position of the Entity as at 30 June 2022, and of its financial performance for the year then ended in accordance with the *Australian Charities and Not-for-Profit Commission Act 2012.*

Basis for Qualified Opinion
Revenue from donations and sponsorships are a significant source of revenue for Sunrise Children's Association Incorporated. The executive committee have determined that it is impracticable to establish control over the collection of revenue from donations and sponsorships prior to entry into the financial records. Accordingly, our audit procedures with respect to revenue from donations and sponsorships had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether revenue from donations and sponsorships are complete.

Emphasis of Matter – Basis of Accounting
Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Sunrise Children's Association Incorporated to meet the requirements of the *Australian Charities and Not-for-Profit Commission Act 2012*. As a result, the financial report may not be suitable for another purpose.

Responsibilities of Management and Those Charged with Governance for the Financial Report
Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report
Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

+ Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

+ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

+ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

+ Conclude on the appropriateness of the Committees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

+ Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

+ We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
